Speaker Matt Hall
Michigan House of Representatives
State Capitol Building
Lansing, MI 48913

Dear Speaker Hall,

Included in this document are recommendations for committee assignments of Democratic House members of the 103rd Michigan Legislature. The priority for members should be placement in their preferred type of committee (Appropriations, Oversight, or Policy).

The additional preferences for committee assignments are based on the recommendations provided to our office from the Democratic Caucus's Committee on Committees, chaired by Rep. Jasper Martus, and guided largely by preferences of members and their experience. The CoC process was very collaborative, including multiple surveys as well as follow-up discussions with members as finalizations were made.

By prioritizing teamwork and leveraging the diverse talents within our respective caucuses, we can ensure the 103rd Michigan Legislature is well-positioned to address the priorities of our constituents effectively.

Thank you for your time and consideration. I look forward to working together to finalize these assignments and begin the important work ahead.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Puri".
